Rain Out/ Abandonment/ Cancelation Policy for MDI* Events

Spectator

If an event has started (vehicles racing down the track/one round of qualifying) and the event has to be abandoned due to weather or some unforeseen circumstance out of MDI control there is no refunds, the following applies

If a rain date is scheduled there will be no gate charge for spectators that have paid entry to the original event. No refunds if the rain date is affected and has to be abandoned and cannot be changed to another date

If no rain date is scheduled,

There is no pass outs for the next event or Refunds

If the event has not started (vehicles racing down the track, one round of qualifying), gate entry will carry over to the next MDI event in the current racing season, (excludes National events or any other event deemed by MDI)

Racer

If an event has started (vehicles racing down the track/ one round of qualifying) and the event has to be abandoned due to weather or some unforeseen circumstance out of MDI's control there is no refunds, the following applies

If a rain date is scheduled there will be no race/gate entry charge for racers that have paid entry to the original event. No refunds if the rain date is affected and abandoned and cannot be changed to another date

If no rain date is scheduled and the event has been abandoned, race/gate entry will not be carried over to the next event. There are No Refunds

If the event has not started (vehicles racing down the track/one round of qualifying)

Race/gate entry will carry over to the next MDI event in the current racing season, (excludes National events or any other event deemed by MDI)

If an event goes ahead and you have entered to race and have not fronted or came under starter's orders because of any reason that is not under MDI's control there will be no rain checks or refunds.

By entering the venue or race entry it is deemed that you accept these conditions

**MDI refers to Meremere Dragway Incorporated and it's representatives, Board members and workers / volunteers*
